Hi Daniel, this is James! I am sorry you've got a temperature and I couldn't see you at school today. Listen, our favourite group "2by2", are in town . Their concert is on Sunday. It starts at seven o'clock in the evening. Do you know how to get to the Concert Hall? Take bus number 7 and get off at the train station. I'll be there. Then we can walk to the Concert Hall. We want to find better seats so let's meet earlier. See you on Sunday. Bye.

Hi, Jack! This is Ben. I'm really happy we're going to go on a camping trip next weekend. I know that it'll be your first time camping and sleeping in a tent and I'm sure you'll enjoy it. Don't forget your sleeping bag. It's very cold up in the mountains. The weather isn't going to be nice at the weekend so you'll need a raincoat, too. Put your things in a backpack – this is the easiest way to carry them. We are going to do a lot of walking so put on a pair of good walking boots, not trainers. Call me tonight for more details. Bye.
